P Gluza April 2008													
Maths Mental tests													
Lesson 3	Right side who would normally have Maths with Mr Woodall, Mr Harrison, Mr Thomson or Mr Macey will have their Maths Mental Arithmetic test first												
Right side	Please go to your usual Maths class at the start of the lesson. You will then be escorted to the examination room by your Maths teacher.												
Lesson 3	Left side go to your usual lesson: Humanities with Mr Lycett, Mrs Harker, Mr Arkinstall, or Ms Hodgson. Your teacher will escort you to the Promenade ready for your Maths Mental test which will take place during Lesson 4												
Left side	Please wait in the Promenade until you are called. Do not go to the examination room on your own.
